School sunscreen price comparison

Approved schools and kindergartens pay $20 per 1 kg EcoZinc Clear SPF50 pump when ordering five or more through WorkCore. Five pumps supply 5 kg for $100.

Product / buying channel	Pack size	Pack price	Per 100 g
EcoZinc Clear SPF50[1] School wholesale · 5+ pumps	1 kg	$20.00	**$2.00**
Cancer Council Everyday Value SPF50[2] Retail	1 L	$42.95	**$4.30 est.**
Hamilton Active Family SPF50+[3] Retail	500 mL	$22.95	**$4.59 est.**
Banana Boat Moisturising SPF50+[4] Retail	400 g	$30.00	**$7.50**
NIVEA SUN Protect & Moisture SPF50+[4] Retail	200 mL	$21.50	**$10.75 est.**
Little Urchin Kids Natural Clear Zinc[5] Premium zinc · retail	300 g	$69.95	**$23.32**
Ethical Zinc Natural Clear Zinc[6] Premium zinc · retail	100 g	$23.95	**$23.95**

The EcoZinc rate is for approved accounts; all other rows use the listed single-pack retail price. Freight is excluded. Retail prices and quantity discounts may vary.

How we keep school sunscreen affordable

We own our manufacturing facility in Rocklea, Queensland, where we make EcoZinc sunscreen. By supplying schools directly through WorkCore, we avoid a retail middleman and can offer approved schools and kindergartens $20 per 1 kg pump on orders of five or more.
